e acqua flessibili -
estensibili ed accessori**

SICURFLEX®

SICURFLEX® Gas

EN 14800
CE

Tube flessibile di acciaio inossidabile a parete continua per allacciamento di apparecchi a gas per uso domestico e similari alimentati a gas manufatturati, naturali e gpl per installazione in ambiente interno ed esterno.

Stainless steel flexible gas hose with seamless walls for the connection of domestic gas appliances etc. that use manufactured, natural and LPG gas; for both indoor and outdoor installation.

TIPO 1 / TYPE 1

Tube altamente flessibile fabbricato con parete continua a onde parallele in Acciaio Inox AISI 304L. Treccia in acciaio inossidabile, saldata ai raccordi terminali, per rinforzare e consentire la resistenza alla trazione del tubo. Guaina liscia in materiale plastico trasparente per la protezione contro le aggressioni esterne. Anelli metallici di fissaggio della guaina plastica ai raccordi terminali del tubo. Raccordi con filettatura maschio in Acciaio Inox AISI 304 e dado femmina realizzato in ottone nichelato. Guarnizione in gomma NBR.

A highly flexible gas hose with seamless walls and AISI 304L stainless steel parallel corrugated armouring. The hose has a stainless steel braided armouring welded to the end fitting to reinforce the hose and to give the hose the necessary resistance to traction. The smooth outer cover is made of transparent plastic to protect the hose from environmental and other outside influences. Metal connecting rings on the metal and fittings of the smooth outer cover. Fittings with male thread in AISI 304 stainless steel and female nut in nickel-plated brass. Seal in NBR rubber.

PRODOTTO NON COMMERCIALIZZABILE IN ITALIA

Giunto flessibile non estensibile in acciaio inox utilizzato per il collegamento di apparecchi contatore gas alla rete. Prodotto nella versione:

- maschio fisso-femmina girevole
- femmina fissa-femmina girevole

Fixed-length, flexible pipe joint in stainless steel to connect the gas meter to the main gas supply system.

MODELS:

- fixed male nut, female swivel nut
- fixed female nut, female swivel nut

Femmina Girevole Maschio Fisso

Female swivel nut Fixed male nut
